Richard House Children's Hospice supports children and their families in East London to lead as positive and happy a life as possible when dealing with a life-limiting health condition. The Hospice was founded by our Life-President Anthea Hare, who was inspired by both her experience as a paediatric nurse at Royal London Hospital in Whitechapel, and through helping her parents to look after her severely autistic brother Richard, who died as a young man.

The aim of the **Pulmonary Fibrosis Trust** is to provide personal support to people affected by Pulmonary Fibrosis, a very debilitating and life-limiting illness. We offer practical, emotional and financial support where there is a need. We also raise awareness of the illness and in particular the challenges people face on a daily basis.

VOCAL supports and empowers unpaid carers in Edinburgh and Midlothian through individual support, information, training and access to services.

Since 1996, the **Friends of Ravenscliffe Association** has supported the school by raising its profile within the local and wider community. The Friends organise a range of inclusive and enjoyable activities for all and if funds can be raised to support the school at the same time, all the better. All students are admitted to Ravenscliffe High School in Halifax, West Yorkshire, with a statement of special educational needs (Educational, Health and Care plan).
